Amended Petition at 4; Stipulation at ¶¶4, 6. “Respondent denies that petitioner sustained a Table SIRVA within the Table timeframe, and denies that the hepatitis A/hepatitis B vaccine in fact caused her alleged shoulder injury and residual effects, or any other injury.” Stipulation at ¶ 6.

SECRETARY OF HEALTH
AND HUMAN SERVICES,

STIPULATION

The parties hereby stipulate to the following matters:

1. Adriana Lopez (“petitioner”) filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §§ 300aa-10 to -34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly sustained following petitioner’s receipt of a hepatitis A/hepatitis B vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. §100.3(a).
2. Petitioner received the hepatitis A/hepatitis B vaccine on July 1, 2016.
3. The vaccine was administered within the United States.
4. Petitioner alleges that she sustained the first symptom or manifestation of onset of a left Shoulder Injury Related to Vaccine Administration (“SIRVA”) within the time period set forth in the Table, or in the alternative, that the hepatitis A/hepatitis B vaccine caused-in-fact her left SIRVA. Petitioner further alleges that she experienced the residual effects of her SIRVA for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil

action for damages as a result of her condition.

6. Respondent denies that petitioner sustained a Table SIRVA within the Table timeframe, and denies that the hepatitis A/hepatitis B vaccine in fact caused her alleged shoulder injury and residual effects, or any other injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of \$133.54, for satisfaction of a State of Utah Medicaid lien, in the form of a check payable jointly to petitioner and:

Office of Recovery Services
Bureau of Medical Collections
515 E 100 S
P.O. Box 45025
Salt Lake City, UT 84145-0025
Attn: Jenny Kay Del Rio
Ref: Adriana Lopez/Case # C001308000/TEAM 85

Petitioner agrees to endorse this payment to the State of Utah.

- b. A lump sum of \$37,500.00 in the form of a check payable to petitioner, Adriana Lopez, which amount represents compensation for all remaining damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings

before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act, 42 U.S.C. § 1396 et seq.), or by entities that provide health services on a pre-paid basis.

11. Payments made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs and the payment to satisfy the Medicaid lien, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner, as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity, and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the Secretary of Health and Human Services and the United States of America from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury

Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to, or death of, petitioner resulting from, or alleged to have resulted from, the hepatitis A/hepatitis B vaccine administered on July 1, 2016, as alleged by petitioner in a petition for vaccine compensation filed on or about June 21, 2019, in the United States Court of Federal Claims as petition No. 19-910V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

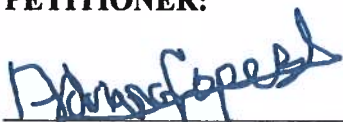

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation, or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States of America or the Secretary of Health and Human Services that petitioner's alleged left shoulder injury and residual effects, or any other injury, were caused by the hepatitis A/hepatitis B
